

Financial Markets Law Committee (“FMLC”)

Asset Management Scoping Forum

Terms of Reference

Background and Remit

The Financial Markets Law Committee (“FMLC”) has established the Asset Management Scoping Forum to provide a space for discussion of current and future issues of legal uncertainty related to the asset management industry.

Formerly titled the Buy-side Scoping Forum, the implementation of MiFID II has been an area of great focus for members of this Forum. The Forum has discussed the AIFMD and the Market Abuse Regulation as well as influenced the FMLC's work on the European Supervisory Authority's Q&A process and the FCA's Asset Management Market Study.

The Forum may examine issues arising under the current regulatory framework as well as future proposals. In this capacity, it may consider any or all of English, European, international and foreign law.

The Forum supports the FMLC's radar function by liaising with legal and financial experts from both the public and private sectors in order to ascertain areas of legal uncertainty.

The Forum will make recommendations as to the FMLC's work on asset management issues. The final decision on these matters rests with the Committee.

Conduct of business

Members of the Forum should meet at least every quarter but may, if it is deemed necessary, meet more regularly. A Forward Schedule, containing meeting dates for the year, will be circulated at the beginning of every year.

Members of the Forum act in a purely personal capacity. The names of the institutions that they ordinarily represent may be mentioned for information purposes only.

For reasons of diversity of perspective, inclusion and practicality, any one organisation should not have multiple colleagues (i.e. more than a maximum of two) with membership of the Forum.

Non-members may be invited to attend meetings as guest speakers. For reasons of continuity and accountability, the participation of non-members *qua ad hoc* observers is not permitted. This rule does not apply to individuals from regulatory authorities and international standard setting bodies, who may be invited to attend Forum meetings to ensure transparency.

Registered Charity Number: 1164902.

"The FMLC" and "The Financial Markets Law Committee" are terms used to describe a committee appointed by Financial Markets Law Committee, a limited company ("FMLC" or "the Company"). Registered office: 8 Lothbury, London, EC2R 7HH. Registered in England and Wales. Company Registration Number: 8733443.

In order to encourage individual participation, Forum members are not permitted to send alternates to attend meetings. Dial-in details will only be made available (on request) to participants outside the U.K.

Issues for the FMLC/Output

The Forum will not itself have any *vires* to initiate projects or pass resolutions affecting the FMLC. Where a substantive issue of legal uncertainty is raised by members of the Scoping Forum, this may be proposed by the Secretariat to the FMLC as a topic which may require further action. The Committee may then establish working groups and undertake further work on the issue.

Chairs

The Chairs of the Scoping Forum will be chosen on a rotational basis.

Secretariat

The Secretariat will support the Chair and the Forum during meetings, as well as manage Forum-related communications outside meetings. The Secretariat will help draft and circulate meeting agenda and related documents in advance of Forum meetings and take note of minutes. Members are encouraged to suggest agenda items through the Secretariat.

Minutes

The Secretariat will publish the agenda and minutes of all Forum meetings on the [FMLC website](#), in accordance with a protocol which has been previously agreed with members. Pre-arranged presentations and comments by the Chair will be attributed but *ad hoc* comments or observations will not be. Recommendations to the Committee and agreed next steps will be recorded but dissent will not be a matter of record. Following every meeting, a member of the Secretariat will circulate draft minutes for attendees' approval and may request permission to publish any background materials provided as part of the agenda.
